## - OUTDOOR THROWING GAME

### **MÖLKKY®**

#### **Finnish outdoor throwing game**

Mölkky is a very popular Finnish throwing game manufactured by Tuoterengas. The Mölkky-game is suitable for the whole family. Mölkky success is based on a combination of chance and skill. Tuoterengas owns the Mölkky -trademark.

The number of players is two and up. The game ends when the first player reaches exactly 50 points.

Mölkky consists of 12 numbered skittles and one Mölkky skittle. The skittles are made of high quality and durable birch. The game is packed in a case made of pine or fir. Rules of the game and a score table are included inside the case. The rules are in English, German, Spanish, Finnish and Swedish.

One game weights 5 kg and the measurements of the case are 19 x 22 x 32 cm. The games are packed on pallets of 25 pcs.

#### **World Championships**

Finnish Mölkky Association has organized the Finnish Mölkky Championship tournament already nine times since 1997 in Lahti.

World Championships were organized for the fifth time 16.-17.8.2008 with 186 teams participating in the tournament. In 2009 the World Championships will be 15.-16.8.2009 in Lahti. More Information and registration for the tournament 2009: [mm-molkky.fi](http://mm-molkky.fi)

### **TUOTERENGAS**

#### **Life management, Job-hunting skills, Rehabilitating work opportunities**

Tuoterengas is an independent business entity that belongs to the Lahti Region Education Consortium.

According to its mission and with the help of counselors and employment professionals Tuoterengas supports its customers in life management and promotes active participation. Versatile assignments prepare them for the working world.

Tuoterengas provides services for

- long term unemployed people
